² Distance between courses should be 8-12 m.

³ U1256.4 – Official training for U12 and U14 SG must include at least one SG training run prior to the first competition. Official training for U12 and U14 SG events is an integral part of the competition and all athletes are required to participate. In exceptional cases, which must be documented in the jury minutes, a controlled free-ski run may be authorized in lieu of an official training run. If racing with U16 athletes, U1256.4 applies: U14 and younger athletes must be provided a training run as provisioned in this rule.

* Crossover between age categories for SL, GS, SG, Kombi and SkillsQuest is encouraged. Where multiple age classes are competing, course setting guidelines will be based on the guidelines for one class older than the youngest class (for example, if a race has U10, U12 and U14 racers, it should use the U12 course setting guidelines) except in DH where course setting guidelines will be based on the youngest class participating.
